

ART & PHOTOGRAPHY

★ means the class meets the Fine Arts graduation requirement. You must have at least 2 Fine Arts credits for graduation.

BLACK & WHITE PHOTOGRAPHY ★

Prerequisite: none

Course: 6252 – 1 credit

Grade: 10-12

Black & White Photography is a fun and useful course whether you plan to start a career in photography or simply want to make better pictures. You will learn how to operate a 35 mm camera, develop film and make prints. You will study the history of photography and research influential photographers. Cameras and film provided.

DIGITAL PHOTOGRAPHY ★

Prerequisite: none

Course: 6251 – 1 credit

Grade: 10-12

Digital Photography is an introductory course that combines the art of photography with computer image manipulation. Students initially learn about composition and what makes a good photo. Students then create a variety of images by applying Photo Shop techniques to their original photography. Cameras provided.

DRAWING A ★

Prerequisite: none

Course: 6221 – 1 credit

Grade: 9-12

Students will work to develop skills and techniques in a variety of drawing medium. Students will draw from life, photos, and make studies of other artist's work. We will study the creative process and the means of expression.

DRAWING B ★

Prerequisite: Drawing A

Course: 6222 – 1 credit

Grade: 10-12

Students will continue to develop skills and techniques in a variety of drawing medium. Students will draw from life, photos, and make studies of other artist's work. We will study the creative process and the means of expression.

MIXED MEDIA A ★

Prerequisite: none

Course: 6211 – 1 credit

Grade: 9-12

Mixed Media A is designed to explore a variety of materials. We will mix materials and art methods to create a sampling of projects that may include collage, baskets, printmaking, and recycled art. Anyone who enjoys using their creativity should consider taking this class.

MIXED MEDIA B ★

Prerequisite: Mixed Media A

Course: 6212 – 1 credit

Grade: 10-12

Mixed Media B is designed to build upon the skills and techniques learned in Mixed Media A. Students will continue to explore a variety of mediums and also incorporate art history and written assignments into their learning.

PAINTING ★

Prerequisite: Drawing A

Course: 6241 – 1 credit

Grade: 10-12

Explore the world of painting by examining the creative process. Students will work to develop their compositional skills and painting techniques in watercolor, tempera and acrylic painting.

SCULPTURE A ★

Prerequisite: none

Course: 6231 – 1 credit

Grade: 9-12

This is an introductory course in sculpture. A variety of projects will be assigned to explore different methods of building. Some materials that may be used include paper mache, recycled items, and clay. Art history and written assignments will also be part of this course.

SCULPTURE B ★

Prerequisite: Sculpture A

Course: 6232 – 1 credit

Grade: 10-12

This course is designed to build upon the skills and techniques learned in Sculpture A. Students will continue to explore different methods of building and incorporate art history and written assignments into their learning.
