Subd. 4. It is intended that this arrangement constitute a voluntary employees’ beneficiary association under Section 501(c)(9) of the Internal Revenue Code.

If the School District maintains a cafeteria plan with a health flexible spending account (an “FSA”), the School District will specify in the Adoption Agreement for the VEBA Plan document, before the first day of the FSA plan year, that eligible health expenses will be paid from the FSA first, until an individual’s FSA account is exhausted, and from the VEBA Plan second.

The VEBA Plan year will begin and end on the same dates as the health care plans offered in this Article.

Subd. 5. Payment of Administrative Fee: Administrative fees allocable to individual accounts of active employees who are active participants in the VEBA Plan shall be paid by the School District. Administrative fees allocable to the individual accounts of active employees, who have accrued a balance in the VEBA Plan but change coverage, so that they are no longer entitled to employer contributions, shall be paid by the School District. If a qualified employee who is a VEBA Plan participant has a change in coverage after the first day of the VEBA Plan year, to reflect this change, the school district shall prorate the amount of the school district contribution by the ratio of the number of days worked during the plan year prior to the change in coverage to the number of regular contract duty days. If a VEBA Plan participant has received an overpayment in the school district contribution to the VEBA Plan participant's individual account, it will be the responsibility of the VEBA Plan participant to reimburse the district for the overpayment. The overpayment will be calculated by comparing the actual amount paid to the employee with the amount that should have been paid to the employee given the ratio of the number of days worked during the plan year prior to the change in coverage to the number of regular contract duty days. If the amount the employee actually received is more than the amount the employee should have received given the ratio of the number of days the employee worked during the plan year prior to the change in coverage to the number of regular contract duty days, the employee must reimburse that amount to the district.

If a qualified employee is hired after the first day of the VEBA Plan year, the school district shall prorate the amount of the school district contribution by the ratio of the number of days worked during the plan year to the number of regular contract duty days.

All contributions on behalf of a VEBA Plan participant shall cease on the date the participant is no longer covered under the high deductible health plan. If the VEBA Plan participant has an employment change, resigns or the participant's employment is terminated after the first day of the VEBA Plan year, it will be the responsibility of the VEBA Plan participant to reimburse the district for the overpayment of the school district contribution to the VEBA Plan participant's individual account. The overpayment will be calculated by comparing the actual amount paid to the employee with the amount that should have been paid to the employee given the ratio of the number of days worked during the plan year to the number of regular contract duty days. If the amount the employee actually received is more than the amount the employee should have received given the ratio of the number of days the employee worked during the plan year to the number of regular contract duty days, the employee must reimburse that amount to the district.

The VEBA Plan year will begin and end on the same dates as the health care plans offered in this of the Article.

Computation of Time: In computing any period of time prescribed or allowed by procedures in this article, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event, the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 3. Filing and Postmark: The filing or service of any notice or document required by this Agreement shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver: A grievance shall not be valid for consideration unless the grievance is submitted to the School District's designee in writing, signed by the grievant(s), setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the date that the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver of that grievance. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to resolve an alleged grievance informally between the grievant(s) and the School District's designee.

Section 5. Resolution of Grievance: The School District and the grievant(s) shall attempt to resolve all grievances which may arise during the course of employment as follows:

Subd. 1. Level I: If the grievance is not resolved through informal discussion, the School District's designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made, in writing, within five (5) days after the receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his/her designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or his/her designee shall issue a decision in writing to the parties involved.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made, in writing, within five (5) days after the receipt of the decision in Level II. If a grievance is properly appealed to the

School Board, the School Board shall hear the grievance within twenty (20) days after receipt of the appeal. Within twenty (20) days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level and report the findings and recommendations to the School Board. The School Board shall then render its decision.

Section 6. Denial of Grievance: Failure by the School Board or its representative(s) to issue a decision within the time period provided in this article shall constitute a denial of the grievance, and the grievant(s) may appeal it to the next level.

Section 7. Arbitration Procedures: In the event that the grievant(s) and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as explained in this article.

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved grievant(s), and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III above.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not first been duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties may, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner to submit a panel of seven (7) arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty (20) days after the request for arbitration. The request shall ask that the panel be submitted within ten (10) days after the receipt of said request. Within ten (10) days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking will be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time period as provided in this article shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator, and both parties may be represented by such person(s) as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in PELRA. The arbitrator shall issue a written decision and order including findings of

fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording of the hearing shall be made at the request of either party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such a copy.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before him/her pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined in this article; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited to, such areas of discretion or policy as the functions and programs of the School District, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, the arbitrator's order shall give due consideration to the statutory rights and obligations of the School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 8. Election of Remedies and Waiver: A party instituting any action, proceeding, or complaint in a federal or state court of law or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon instituting a proceeding in another forum as outlined in this Agreement, the employee(s) shall waive the right to initiate a grievance pursuant to this article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator or to any other situation in which its application would be considered unlawful retaliation or reprisal.

ARTICLE XVIII DURATION

Section 1. Terms and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing upon the date of its full ratification through June 30, 2020, and thereafter as

provided by PELRA. Unless otherwise mutually agreed, the parties shall not commence negotiations more than ninety (90) days prior to the expiration date of this Agreement.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the School District and the exclusive representative. The provisions of this Agreement relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, and School District policies, rules, or regulations concerning terms and conditions of employment inconsistent with these provisions. Nothing in this Agreement shall be construed to obligate the School District to continue or discontinue existing or past practices or prohibit the School District from exercising all management rights, functions, and prerogatives, except insofar as this exercise would be in express violation of any term or terms of this Agreement.

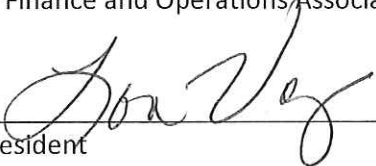

Section 3. Severability: The provisions of this Agreement shall be severable, and if any such provision or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision.

Section 4. Amendment: Except as provided in Section 1 above, amendments to this Agreement shall be undertaken only by written mutual agreement of both parties, and shall be limited to specific sections of this Agreement. Should such negotiations result in a mutually acceptable amendment of this Agreement, the amendment shall be subject to ratification by the parties hereto.

Section 5. Affordable Care Act (ACA): Notwithstanding any other provision of this Agreement, in the event this Agreement will cause or does cause penalties, fees, or fines to be assessed against the School District, the parties agree to reopen negotiations that result in a revised Agreement between the parties that eliminates or reduces penalties, fees, or fines to be assessed against the School District. The School District and the employees agree that all material terms of compensation, hours, and fringe benefits (including health benefits) may be subject to modification in order to comply with the ACA, to minimize penalties under the ACA, and to address any increase or decrease in cost that the ACA may require.
